SUPPLEMENTAL RESPONSE

Commissioner for Patents

May 2, 2005

Sir:

In supplement to the Amendment filed on April 18, 2005, Applicants are submitting herewith a Terminal Disclaimer to obviate the obviousness-type double patenting rejection set forth in the November 16, 2004 Office Action. With regard to this matter, although the Applicants respectfully submit that claims 28, 29, 30, 32, 34, 35 and 38-40, all of which have been rejected under the doctrine of obviousness-type double patenting rejection based on claims from the respective U.S. parent patents 6,701,881, and 6,523,517, are directed to a separate patentable invention, in order to expedite the allowance of the present application, the Terminal Disclaimer is being filed to eliminate this issue. Accordingly, entry of this Terminal Disclaimer, and removal of the obviousness-type double patenting rejection set forth in the November 16, 2004 Office Action, is respectfully requested.

If the Examiner believes that there are any matters that can be resolved by way of either a personal or telephone interview, the Examiner is invited to contact Applicants' undersigned attorney at the number indicated below to arrange for an interview.
